

BL'NDSPACE[®]

SOLUTIONS TO CONCEAL BLINDS AND RECESS CURTAIN TRACKS

Hello!

Thank you for your interest in Blindspace!

With innovative solutions and hundreds of installations in three continents, Blindspace is the leading provider of solutions to conceal blinds and recess curtain tracks.

We sell our products to selected blind companies around the world, that provide advice and sell our boxes and tracks, with their own blinds or curtains. Our products are often specified by designers and architects, and installed by contractors or by our clients.

Please visit blindspace.com for more information including images, videos, size charts, technical drawings and installation instructions.
